Sigma B8 **Writing Task** **13/11/02**

Write an article about the following:

Exams constitute a controversial issue among all educators; some say exams are the best way to know what students have learned. Relate to the subject, using one or more of the following:

- Other ways of assessment.
- Test anxiety.
- How educators and teachers think of exams.
- How pupils relate to exams.
- Types of exams.

Write about 100 words:
