A resolution to televise Student Senate meetings on UTTV Channel 31

**Author:** Derek DuBose

**Whereas,** there is a growing problem with student apathy at The University of Toledo; and

**Whereas,** there continues to be a need to attract students to the issues that affect their daily lives; and

**Whereas,** Student Government is an outlet to voice student concerns;

**Therefore let it be resolved,** that Student Senate meetings shall be televised, allowing students the opportunity to observe and become familiar with their representatives as well as the Student Senate process.
