**Whereas,** University of Toledo students have limited access to home entertainment options; and

**Whereas,** self-service electronic kiosks offering DVD and video game rentals are now commercially available; and

**Whereas,** these kiosks could provide a convenient and low-cost entertainment option for University of Toledo students; and

**Whereas,** these kiosks could serve as a potential revenue source for the University; and

**Whereas,** other universities have installed home entertainment rental kiosks on their campuses and greatly benefited from their use;

**Therefore let it be resolved,** that Student Senate, on behalf of the student community, calls on The University of Toledo to install self-service home entertainment rental kiosks in the Student Union and residence halls; and

**Furthermore let it be resolved,** that Student Senate establishes a task force to work with University of Toledo officials to explore and implement this program; and

**Furthermore let it be resolved,** that task force membership be open to any interested student government official.
