

**Resolution 3012-R-102604**

- A resolution supporting The College of Pharmacy organization AZO to clean up the courtyard between Wolfe Hall and Bowman-Oddy.

**Authors:** Andrew Black, Megan Vozar

**Whereas,** The courtyard in between Wolfe Hall and Bowman-Oddy has grown to be disheveled; and

**Whereas,** AZO would like to clean the courtyard; and

**Whereas,** AZO as a community service wants to donate benches, grass seed, and work to beautify that area; and

**Whereas,** The pharmacy administration has put a halt on AZO's plan; and

**Whereas,** The pharmacy administration is waiting for a pharmaceutical sponsor to clean up that area; and

**Whereas,** After at least a year, no communication between the College of Pharmacy and a sponsor has occurred;

**Therefore let it be resolved,** That the Student Senate of The University of Toledo will give its support to AZO in cleaning up the courtyard and maintaining it by helping develop a plan and then endorsing it to Grounds; and

**Let it further be resolved,** That once the College of Pharmacy finds a sponsor, AZO will give its support to this new fully founded plan.
