

Resolution-5042-R-040505

- A resolution calling on The University of Toledo to make parking lot signs more prominent and visible

Author: Akbar Shetty, Speaker Pro Tempore

Whereas, Student Senate believes that information relating to students at The University of Toledo must be readily available; and

Whereas, Many parking lot signs or parking space designations are either not visible or non-existent, such as in Lots 10 and 12; and

Whereas, Many students have received parking tickets and other violations due to the aforementioned reasons;

Therefore let it be resolved, That the Student Senate calls on The University of Toledo administration to make every effort in ensuring that parking spaces are clearly designated as faculty, student, etc. as well as make existing signs more visible and make information on parking easily accessible to students.
