AGREEMENTS

<i>I have read, and I understand the rules of the science fair and agree to follow them. I will accept the decision of the judges as final. I recognize that the primary purpose of a science fair is to learn. I also recognize that this science fair is a gift given to me by volunteers who care deeply about my education. Therefore, I have selected a science fair project that will challenge me, and I will use my best efforts to do it well.</i>	<i>I understand that volunteers have devoted numerous hours to offer this science fair for the learning experience of my child and have done their best to insure its safety. Therefore, in the event of an unforeseen accident, I agree not to hold liable the organizers of the science fair.</i>
