MENTORSHIP RECORD

W. I. S. E. 2001

You are encouraged to question people who have information or knowledge about your topic. However, when someone helps you, you must acknowledge who helped you and how that person helped you. However, do not record the name of the person on this form. Instead, describe your relationship to the person, such as your father, mother, teacher, or friend.

Title of Project
Who helped you and how did they help you?
