**PRESIDENT'S  
PATTER**

Nothing submitted by press time.

Jerry Lohmann, President

**MINUTES OF THE  
GENERAL MEETING**

**February 3, 2004.**

The meeting was called to order by President Jerry Lohmann at 6:40 P.M.

**Minutes:** The minutes of the previous meeting were approved as written by Secretary Lynda Lohmann and distributed in the Tektite.

**Membership:** Bob Plunkett reported that we had 17 members in attendance.

We had no **Hospitality report**, also no Jim Sugg, no **CFMS report**, and no **Old Business** nor **New Business**.

**Field Trip report:** John Duncan gave a report on Quartzsite -- said that the weather was good. The QIA show was spectacular, however Tyson's was about half of the usual. They went on several field trips -- he brought some petrified wood that was found. Also a group went to a marble site and came back with specimens. The pot luck held by members camping was a success.

There was no raffle.

Meeting was adjourned about 7:15 and everyone broke for refreshments, with Dirty Bingo to follow.

Lynda Lohmann, Secretary

**MINUTES OF THE BOARD  
MEETING**

Next Board meeting will be March 9, 2004.

**FIELD TRIPS**

???????????? Chairperson

As all of you know we **DO NOT** have a Field Trip Chairperson nor do we have an active field trip program.

I will try to post information about where and when other Clubs and groups are going out and doing what we would all like to do and that is **ROCKHOUND**.
