

# Alpha Phi Omega Charity Cheer Competition

Alpha Phi Omega is a national co-ed service fraternity that was first founded in 1925 at Lafayette College. We now have 711 chapters, 350 of which are currently active, with approximately 17,000 members.

The Eta Pi Chapter from the University of Detroit Mercy is hosting a charity cheerleading competition open to all MHSAA member schools. All proceeds from this competition will be donated to 5 charities across Michigan during the holidays when they need donations the most.

Proceeds from the day of the event will benefit Vista Maria, a shelter for abused and battered women and children. On the registration forms, teams will have the ability to choose from the following 4 charities for their registration money to go to: The Ronald McDonald House of Detroit, Think Detroit PAL, The Humane Society of South Central Michigan, or Focus: HOPE.

We will have 2 sessions of 10 teams each, varsity only. The first 20 teams to register will be able to participate. Sessions will be split by school size, with the first session the smaller teams and second session the larger teams.
