NUTS AND CANDY!

We are about to begin our 2009 Fall Product sale. Beginning October 1, 2009, we offer troops the opportunity to fund their troop activities through sales of nuts and candy, as well as selling magazine subscriptions. We are selling nuts and candy through Trophy Nut company (the same company we used last year). There are a couple of changes in the products. Here is a list of the products:

- New! Gummi Snacks
- New! Peanut Brittle in Holiday tin
- New! Peanut Butter Cups
- Chocolate Covered Almonds
- Chocolate Covered Peanuts
- Chocolate Covered Raisins
- Cranberry Trail Mix
- Honey Roasted Peanuts
- Peanut Squares
- Pecan Supremes
- Spicy Cajun Crunch
- Whole Cashews

Your troop receives \$1.00 profit for each product sold.

The biggest change for this year is that we are now giving the girls an opportunity to sell magazine subscriptions through Girl Scouts. They simply go online and put in 12 e-mail addresses. The troop receives \$2.00 for every subscription sold during October. The girl receives a patch for putting in the e-mail addresses and another patch for selling simply 2 subscriptions. These patches fit together with the patch they receive for selling 5 nut/candy items.

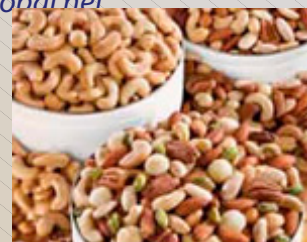

Training is online, but you need to have your booklet from me in order to complete the training. Please e-mail me and we can work out a time for you to come get the booklet.

Town Hall Meetings

Want to be "in the know" about Girl Scouting locally and nationally? Then don't miss the 2009 Town Hall Meetings!

The purpose of Town Hall meetings is to get input and ideas on major policy and other issues prior to making decisions and to provide a forum for members to discuss critical issues and concerns in a free and open exchange of ideas with members of the GS-TOP Board of Directors, Board Committees, the Senior Leadership Team and other staff members.

All registered Girl Scout adults and girl members, ages 14 and older, are welcome to attend. Council delegates and alternates are urged to attend to represent their region and service units. Everyone is welcome to attend any Town Hall meeting.
