

Amir H Jahanlou

Career Objective:

To be a part of a creative team,
Sharing my skills and developing my potential abilities.

Key Skills:

Shading, Texturing & Rendering.
Dynamics & FX: scripting & Problem solving.
Cloths and fluids simulation.
Modelling: Industrial and organic.
Scripting.
Character Rigging.
Animating.
Render farm design and management.
Compositing & color correction.

Transferable Skills:

Under pressure project management.
Short time new software package Switching.

Employment Background:

May 2004 – March 2006 Mediatech - Dubai, U.A.E
Responsible for modelling, cloth and dynamics simulation, shading,
Texturing, Rendering and solution making-problem solving.

October 2003 - May 2004 Macmillan Adam - Dubai Media city, Dubai, U.A.E
Responsible for the entire animation pipeline. Responsibilities included:
Modelling, Animation, Shading, Texturing and Rendering, problem solving.

February 2001 - October 2003 Color of Paradise - Tehran, Iran
Responsible of Modelling, Animation, Shading, Rendering, Compositing.

June 1999 - February 2001 Next step - Tehran, Iran
Member of the graphics team responsible of Modelling, Shading, rendering.

All around these years I also have been teaching as a part time job.

Academic education:

Math and Physics High school diploma.
Student of computer software engineering (Distance study) .
Self thought computer graphics.

Application Skills (Software Knowledge):

3D:

- Maya **Power User**
- XSI **Newbie**
- 3D Studio MAX **User**

3D Speciality:

- Syflex cloth simulator **Power User**
- Real flow liquid simulator **Power User**

3D Render Engines & 3rd parties:

- PRman/ Mtor/RFM /Mayaman **User**
- Mental-Ray **Power User**
- Turtle **Power User**
- Maxwell **User**
- V-Ray **User**

Compositing:

- Nuke **User**
- After Effects **Power User**
- Digital Fusion **Power User**
- Shake **User**

Texture creation and editing:

- PhotoShop **Power User**
- Painter **User**
- Gimp **User**

Operating systems:

- Microsoft Windows **Power User**
- Linux Debian, RH **User**
- Mac OSX **Newbie**

Scripting and programming:

- Mel **User**
- Renderman **Newbie**

Hobbies:

Basketball.
Photography.
Speed drive.
