# Vision

- I believe that to be happy in life one must do what they love and be happy with their job. If people are unhappy they will never be able to live life to it's fullest, and that truly would be a crime.

# Career Goals

---

- My career interests focus around listening and helping others. The thing that makes me happiest in the world is knowing that I helped someone, and that I have made a new friend. I also enjoy leading others and teaching, so I hope to be in a career where I can help people.
- I provide a source of relief for those around me who need to talk about their problems and I take pride in the fact that I am able to help them.
