

Descendants of Yakov Jankel Kristianpoller

Generation No. 1

1. Yakov Jankel¹ Kristianpoller (Source: *JRI*.) was born 1822, and died 1894 in Tarnopol. He married **(1) Pessel Lea** Bet. 1845 - 1849. He married **(2) Rivka** (Source: *JRI*, died at age 63y.) Abt. 1860. She was born 1828, and died 1891 in Tarnopol.

Notes for Yakov Jankel Kristianpoller:

He died at age 72y

The male grandchildren that were born after he died (1894) were called after him: son of Herz at 1902 and son of Sara Vogelmann at 1910

The sources for the data on his wives are:

1. *JRI* - Jutta Taube was the daughter of Jacob & Lea Basie and Shlomo K. that tells that she is his aunt.

2. Shlomo K. - Ester Vinestein was the daughter of Yaakov & Rivka.

The remaining issue is to find which child was born to which wife. Two guidelines were used:

1. order the children by age (if the data is missing, assume the parent was born 20y before the grandchild was born.

2. if the 3rd generation name is Pessie or Batya it leads to the assumption that the mother was Pessel and if the name was Rivka the origin was from Rivka. There is one exception with Sara Vogelmann that has both Pessia and Rivka. My assumption is that Pessia's last daughter was Sara and then she was raised up by Rivka and therefore she called her daughter after her step mother.

Notes for Pessel Lea:

The female grandchildren that were born after she died (about 1868) were called after her: daughter of Taube Jutte at 1869 and daughter of Sara Vogelmann 1870 & daughter of Moses at 1886

Notes for Rivka:

The female grandchildren that were born after she died (1891) were called after her: daughter of Herz at 1893 and son of Sara Vogelmann & Chaya Axelrod at 1895

Gloria Blair claims that Sonia (her mother in law) remembers that Sima & Chaja K. parents were called Jankel & Dvora but the *JRI* records do not prove it

Notes for Moses Krystianpolder Teitelbaum:

According to the JRI records, Moses surname was Kristianpoller and Chana surname was Teitelbaum, but according to Shlomo Kristianpoller's testimony at Yad Vashem, the surname (and maiden) name of Itzhak, Hinde, Chola & Batya was Teitelbaum.

Notes for Batya Teitelbaum:

At 1902 Besia Krysiampoler from Smykowce was married to Kalman Halperin son of Miriam from Zbaraz. Is it she? based on Shlomo K. testimony she was then 15y was he wrong?

Batia K & Moses Kalman Baras had a daughter Miriam Rachel at 1902 (Kalman mother was called Miriam)

6. Chaje² Kristianpoller (Yakov Jankel¹) (Source: *Gloria Blair.*). She married **Leib Wolf Axelrad** (Source: (1) *Gloria Blair.*, (2) *JRI.*).

Notes for Chaje Kristianpoller:

Gloria Blair: "Sonia's grandmother was Chaje Kristianpoller and she came from Symkowce which was a small place just outside Tarnopol. Sonia was quite close to the Kristianpoller family. Sonia shared a bed with her grandmother as a child and she learned Yiddish from her.

Sonia remembers that the Kristianpoller's also lived in Zbaraz and she visited her relatives in Zbaraz. She always said that any Kristianpoller from Zbaraz or Smykowce or Tarnopol was her family. Since JRI has several other Kristianpoller families appearing in the same towns and in the same time periods with Sonia's grandparents, Leib Wolf Axelrad and Chaje Kristianpoller, I presume they are siblings of Chaje and Sime Kristianpoller or close cousins.

Sonia remembers that the Axelrad's and Kristianpoller's were Hasidic jews.

Leib Wolf Axelrad married sisters, Sime and Chaje Kristianpoller

Chaje probably sold men's clothing and maybe there was a store in the house.

Notes for Leib Wolf Axelrad:

At 1872 His 1st wife Simme had a stillborn child, at 1879 she passed away with another stillborn child. He married her sister Chaja when their 1st daughter Dvora died at the age 1.5y. at 1884 his 2nd son Markus 1y9m and his daughter Gittel 1.5m died together (they have the same record number at JRI)

She was born 1868 in Tarnopol, and died 1943 in Tarnopol.

Notes for Dvora Imber:

Shlomo Kristianpoller testimony at Yad-Vashem claim that her maiden name is Zimmels but this is wrong the Zimmels and Imbar are related (JRI) but Dvora Zimmels past away as a child

Notes for Malkae Amalia Axelrad:

Gloria Blair: Since Sonia used family names for Malke/Amalia's children, I do not know how to match the names she called them with above list taken from JRI records. Sonia remembered Malke/Amalia's children as (a) Karl had two sons, fate unknown in the war. (b) Motk had no children, fate unknown in the war. (c) Zygmunt presumed to have died in war and unknown if children (d) Moishe, went to Israel and had daughter. Now two names and I don't know if they are daughters of Moishe or daughters of Malke/Amalia. Pepa Briefer who married David Bar (a judge in Tel-Aviv) and they have two daughters. Then Fancia who married David Samet (lived in Pompano Beach, Fla.) Fancia had daughter Susie who married Boris Trisker and son Leo Samet who lived in London. (e) Jack, the only one I can match names with, who was her sponsor.

Someone in here was a doctor. Was it Salomon or a son of Salmon or a son of Malke/Amalia?

after 1899 when here last child (stillborn) was born.
