Professional Experience

Childhood Cancer Society

Date: June 2022–Present

Location: Remote

Title: Animation Intern

Job description:

- Met with and collaborated with the CEO of the CCS, project managers, as well as social media, graphic design, and animation interns Mondays to brainstorm ideas for animations and presented both the final animations and works-in-progress on Thursdays via Zoom
- Created 3D animated videos of the CCS's mascot Adventure Ted as well as rough sketch storyboards for them
- Contributed to the Adventure Ted Theme Park Extravaganza by creating a 3D animation that corresponded to a task that the social media interns came up with for the children with cancer to complete

Lil' Iguana's Children's Safety Foundation

Date: January–February 2022

Location: Remote

Title: Animation Intern

Job description:

- Animated four virtual safety lessons featuring Lil' Iguana characters
- Met with creative director 2–3 times a month on Zoom.

Franco-American Centre

Date: October–December 2021

Location: Remote

Title: Graphic Design Intern

Job description:

- Created rough sketch storyboards for animated videos
- Modeled, rigged, and animated two 3D videos of Moe Demers of the *Franco-American Centre's* commissioned characters (Claude and Claudette)

- Designed image for *Franco-American Centre's* Twitter page promoting its Beaujolais Nouveau Wine-Tasting event while collaborating with another graphic design intern
- Designed Christmas card for *Franco-American Centre* while collaborating with another graphic design intern
- Attended weekly Zoom meetings with executive director and office manager

Education

Southern New Hampshire University

Degree: BA in Graphic Design and Media Arts

Date: January 2018–September 2021

GPA: 4.0

Nashua Community College

Enrolled in four courses for one semester. Pursued AS in Software Development but decided to change major after semester had ended. Later transferred course credits to *Southern New Hampshire University*.

Date: August–December 2017

Honors, Awards, and Certifications

Graduated with Summa Cum Laude and a 4.0 GPA after taking courses at SNHU. In April 2022, was awarded the certificate of “Distinguished Scholar” from the Senior Vice President at SNHU.

Publications

Title: Coffee Run (video game)

Date: October 30, 2017

Link: https://store.steampowered.com/app/731180/Coffee_Run/

Designed, programmed, and published Coffee Run to the Steam platform using Blender and Unity Personal Edition.
