Summary

Hello! My name is Anna Schreter, and I am currently a fourth year student at Southern New Hampshire University studying graphic & web design. I do freelance illustrations, character art, chibi art, and high-res pixel art, and am learning my way through web design. I have many years of experience with Photoshop and PaintTool SAI, and moderate knowledge of Adobe Illustrator and InDesign. I also have experience with website coding in Dreamweaver and video editing in Sony Vegas.
