

ASK FOR QUALITY – ASK FOR ATM

Why Buy Quality Tools?

In most cases, quality tools distributed by ATM, such as Marshalltown USA tools, cost a little bit more than competitors – but they last longer and offer a more professional finish.

The materials used are of the highest quality and each product is manufactured to the highest international standards. In the long run, your decision to purchase quality tools saves you time and money! ATM offers you tools made by the professionals for the professionals.

Why buy tools and equipment from ATM?

ATM imports quality tools and equipment direct from manufacturers in USA and Europe. We stock large quantities here in Singapore to meet the high demand in Asian markets. This allows us to offer you quality products at competitive prices, and fast delivery throughout Asia.

For a free e-catalog, please complete the enquiry form and fax to: American Tools & Machinery (Singapore) for a prompt reply.
