## Letter from Fundraising:

### Dear Alumnus,

Before I begin, let me introduce myself to those sisters who I have not met. My name is Lizette Granillo, and I am the Southern Arizona Regional Director of Fundraising. I pledged in the Fall of 1998, and I am a member of the Nu Class. I graduated from the University of Arizona with a Bachelor in Retail Consumer Sciences, and am currently working for a construction firm in town. Okay, enough about me.... I am extremely excited to be writing your lovely and hopefully highly anticipated monthly newsletter. I am excited because I think that I have some great ideas about how we can make this newsletter one that you will all enjoy receiving, but also a platform to keep us informed not only with KDChi events but with each other and our families. I would like to make this newsletter about **YOU!**

I would like to include sections in this newsletter for:

- o Birthday Announcements
- o Get-Togethers
- o Job Opportunities
- o Sister Shot-outs
- o Family Additions
- o Weddings

I want this to be your newsletter, and your link to each other. If any of you have any other ideas about topics that you would like me to include in this monthly newsletter, please let me know. The more input and information that I receive from you the better I can make this newsletter, and the more it will reflect your organization. My email address is [Lizet15141@aol.com](mailto:Lizet15141@aol.com). I look forward to hearing from you...Please email me!!! I really do need your input, because I would like this to be the best and most enjoyable newsletter. I

would also like to thank those of you who responded to my emails. Without you I would not have a KDChi Career Corner, and Christina would have killed me!!! So again, thank you! I wish you and all of your families a very joyous and safe Holiday Season.

Your sister,

**Lizette Granillo**

## Upcoming Event!

## Happy New Year Everyone!!!!

The Directors for this region will be getting together during the month of February in order to plan a fantastic new year. We hope that everyone will get involved and make this a wonderful and successful region. Also, please email us or feel free to attend our meeting in order to give your input. There are also positions available on the Board, so if you are interested please let us know via listserv.

## Career Corner: KDChi...Teaching Our Youth & Helping Create Brighter Futures

*“Every alumna has the ability to make an impact on KDX, an undergraduate chapter, or just one sister.”*

*--Alumni Association  
Mission Statement*

How many of us have pondered the idea of what a gratifying feeling one must get from being an educator? Luckily, we have a large number of women in our organization who have decided to make this their career choice. Patti Bolle, received her Master’s Degree in Public Health with an emphasis on Health Education. She is currently teaching seventh grade Science to the students of Mansfield Middle School. When asked what she found challenging Patti mentioned that, “The challenges are often parents who don’t give their children

enough attention and expect teachers to do both teaching and parenting”. Maggie Salgado, who has a Master’s of Education in Teaching and Teacher Education (among her many other received degrees) teaches a third grade class at Pena Blanca Elementary, said that some challenges that she has had to deal with were, “the time and money factor”. Many of you who might be interested in becoming an educator might not realize how much time is put into teaching children everyday, but there are many rewards. Both Patti and

Maggie stated that they truly enjoyed seeing the progression their students had over the course of the year. Maggie also said that she enjoyed, “helping Latina girls gain confidence to continue their education”. For those of you who are interested in being an Educator, both Maggie and Patti are a wonderful resource, and are more than willing to help those of you by answering questions, and giving advice. Thanks to these sisters maybe more of us will quite pondering and start teaching.

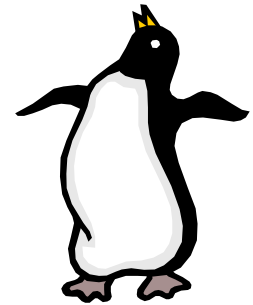

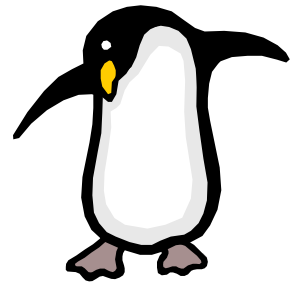

## Next Month’s Career Feature

---

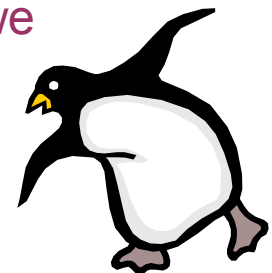

Do you have a story to tell us? We want career updates from alumni sisters! Where are our doctors, teachers, managers, bankers, etc.? Every issue we will feature a career field and the sisters in that field. Want to be next month’s highlight? Let us know!
