Holiday Playschemes

Please find attached some flyers which we would be most grateful if you could print off and distribute about playscheme activities for children and young people at the Beckly Centre during school holidays.

We would like parents to contact early this year so that we can arrange visits and introductory sessions for children and young people to come and see what goes on at Beckly, what activities they can join in with and to meet some of the other children and young people who already participate.

We also run term time evening sessions and weekend activity clubs so there should be plenty of opportunity for lots of children and young people to come along, enjoy themselves, make new friends and have fun.

If you would like any more information or for some one to come and talk to teachers / parents/ support workers about what we do then please do contact us on Plymouth 484433 or by email: thebecklycentre1@aol.com

Many thanks for your help in distributing these flyers.
