

Liquid Refreshment

Wut=s a 7&7 wit out da 7
Wut=s a screwdriver wit out da vodka
What a party wit out da perfect drank

A drank like you
A smooth, strong drink
It goes down smooth and easy
Make my toes wiggle, and my insides warm

It kinda gets you hot and bothered
Makes ya dick jump and ya ass cacaos pucker up
Distorts your perceptions
Makes u think pain is pleasure

The perfect drank gives u boldness
Makes you say things that your sober mind only dreams of
Give you the courage to take what you want,
It can make you forget, or forever remember

Dayum

I love vodka and sprite mixed together
They blend so smoothly
Light sweet bubbles, and clear strength
Intertwined until you can=t tell the apart
I can imagine one without the other

It feels so good inside
Smooth
Hot
Strong
Hard

Yeah, that sounds like the perfect drank to me
