

The Greyhawk Calendar

Annotated with Holy Days and Feasts

The calendar lists each day of the year, noting important festivals and holy days of important gods. The phases of both moons are also indicated.

<i>Phase</i>	<i>Moon</i>
☾	Luna waxing
◯	Luna full
☾	Luna waning
●	Luna new
☾	Celene waxing
◯	Celene full
☾	Celene waning
●	Celene new

Holy days of individual gods are indicated by the god's name in parenthesis under the date. If the god's name is in **bold**, it is the god's high holy day.

As noted in the Greyhawk Gazetteer, each day of the week implies certain activities that day:

<i>Day</i>	<i>Task</i>
Starday	Work
Sunday	Work
Moonday	Work
Godsday	Worship
Waterday	Work
Earthday	Work
Freeday	Rest

Normally, lay worship of deities is performed on each Godsday (weekly tithing and absolutions, for example). Holy days and high holy days are always marked by large gatherings of the faithful. Many cults only initiate members on the god's high holy days, though specifics vary from cult to cult. Priests are *always* expected to attend and/or officiate services at each holy day. New members of the clergy are usually anointed on, just before, or just after a deity's high holy day.
