

**CHAPTER 1- (SUB) Have You Observed And Say That Its True A New Species To Human  
With Vary In Color And Wide-Closed On Eyes;-Color Of Skin As Key To Determined Of New Species  
In Term Varieties In Species**

**Author: Atep Nurdjaman, DR™**

*Researcher-Independent for revealed unarranged theory in fields of organic chemistry and biology, 2006 in month of August and the date -?  
in do doing for title up*

Do you agree to my title of this scientific work paper?. If not I will explained in details just for

This short communication paper will continued to others paper and will explained why theres varieties in skin color and wide-closed eyes, next. (Short communication, ™Nurdjaman, Atep who stae in Indonesia country, address: Jl. Cimindi Utara No. 45 Rt 03 Rw 05 Kelurahan Campaka, Kecamatan Andir, Kodya Bandung-Indonesia 40184, Phone. Code country-22-6079224
