

## THE BIODIVERSITY IS DETERMINED NOT BECAUSED THE INFLUENCE OF CIRCUMSTANCE, BUT BECAUSED THE DENSITY OF PARTNERS IN REPRODUCTION

Author: PROF. DR<sup>TM</sup>. ATEP NURDJAMAN

*Researcher-Independent for revealed unarranged theory in fields of organic chemistry and biology, 2007 in month of February and the date 17  
in do doing for title up*

See references no. 1 and no. 2 for complete explanation. Based on explanation in inside both of references, I re-announced the theories who made by me-myself(ATEP NURDJAMAN, PROF. DR<sup>TM</sup>), all of theories is:

### 1. THEORY OF SPECIES

**SPECIES IS COMING FROM ANYWHERE AS LONG AS COMING FROM LIVING FORM WHO MATCH IN GENETIC CODE AND THE STORY FORMED OF SPECIES NOT BASED ON COMMON BREED ONLY** (ATEP NURDJAMAN, DR<sup>TM</sup>, 2007)

### 2. THEORY OF MIX SPECIES

**MIX SPECIES THEORY AGAINST THE THEORY OF LOCK AND KEY IN EVOLUTION FIELD** (ATEP NURDJAMAN, DR<sup>TM</sup>, 2007)

The others of theories are:

### 1. THEORY OF STRUCTURE OF LIVING FORM

**THE STRUCTURE OF LIVING FORM BASIC FUNDAMENTAL IS BASED ON THE MIX GENETIC CODE IN BODY WHO AS APPLICATION OF THE BREED** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

### 2. THEORY OF THE SURVIVAL OF LIVING FORM

**THE DEAD AND LIVE OF LIVING FORM DECIDED BY YOU AND ME AS HUMAN AND THEM AS ANIMAL WHO MIX IN NEW SPECIES AS REPRESENTATIVE THE SUPERIORITY** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

### 3. THEORY OF THE BEAUTY AND THE BEAST OF LIVING FORM

**THE BEAUTY APPEARANCE OF LIVING FORM AND THE BEAST INSIDE OF LIVING FORM DEFINED BY YOU AND ME AS HUMAN AND THEM AS ANIMAL WHO MIX IN NEW SPECIES AS REPRESENTATIVE THE SHAPE OR ATTITUDE** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

### 4. THEORY OF GEN

**THE GEN IN SPECIES APPEARS AS REPRESENTATIVE OF PARENTS GEN WHO THE PARENTS NOT ALWAYS FROM SAME SPECIES BUT ALSO FROM DIFFERENT SPECIES TOTALLY (DIFFERENT GENUS TO UP THE LEVEL OF CLASSIFICATION)** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

### 5. THEORY OF DIVERSITY OF LIVING FORM OR THEORY OF BIODIVERSITY

**BIODIVERSITY DEPEND TO THE VARIETY OF SPECIES WHO DOING MATE AND MATCH IN GEN** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

### 6. THEORY OF THE BALANCING OF BIODIVERSITY

**THE BALANCING OF BIODIVERSITY IS DETERMINED BY DO THE ATTRACTANT OF EACH OF SPECIES WHO INVOLVE IN FORMING OF NEW SPECIES** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

### 7. THEORY OF THE STABILITY OF BIODIVERSITY

**THE STABILITY IN NUMBERS CONSIDERING THE BIODIVERSITY CONSIST THE NUMBERS OF NEW SPECIES AND OLD ONE IN SPECIFIC NUMBERS WHO FORM THE POPULATION** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

### 8. THEORY OF ATEP NURDJAMAN RAS-1

**THE RAS FORMED FROM THE NEW SPECIES WHO MIX IN GEN FROM HUMAN AND ANIMAL** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

### 9. THEORY OF ATEP NURDJAMAN RAS-2

**THE RAS FORMED FROM THE NEW SPECIES WHO MIX IN GEN FROM HUMAN-ANIMAL FORM AND ANIMAL** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

### 10. THEORY OF ATEP NURDJAMAN RAS-3

**THE RAS FORMED FROM THE NEW SPECIES WHO MIX IN GEN FROM HUMAN-ANIMAL FORM AND HUMAN-ANIMAL FORM** (ATEP NURDJAMAN, PROF. DR<sup>TM</sup>, 2007)

That's all of my Theories who found by me-myself(ATEP NURDJAMAN, PROF. DR<sup>TM</sup>).

THE FACT AND FEAR AND ALSO THE HARD TO SAY FOR REVEALED THE SECRET BASED ON WHAT .....ME-MYSELF(ATEP NURDJAMAN, PROF. DR<sup>TM</sup>) INTRODUCE, should say as New Theory without in me attempt to make someone angry and shy.

**Keywords:** Species, mix species, living form, gen, diversity, biodiversity, balancing, stability, human-animal, ras, Atep Nurdjaman Ras-1, Atep Nurdjaman Ras-2, Atep Nurdjaman Ras-3

## Introduction

Note: Introduction and summary-conclusion same in explanation

## References

1. The Best Perspective of Me(Atep Nurdjaman™) Considering Genetic Field And Comparative Anatomy Field And Also Evolution Filed In Term I am As Biologist. 2007. Used for revealed the mistakes of group of human in classification and also to claim the wrong and mistakes of Charles Darwin Theory considering missing link theory, the correlation broke link between human and monkeys. The changing term will bring you and me to heading the clear perspective in term in science knowledge and religion considering position human in classification.
2. You as my references, each in field definitely, in term you are expert in field of Genetic, expert in field of Comparative Anatomy, and expert in field of Evolution.
