RE: William (Bill) Pollock

Dear recruiter:

I have worked with Bill for over two years, and have found him to be a highly organized and thorough person both in and out of the work environment. He maintains great attention to detail, responds quickly and effectively to initiatives and customer issues and brings a great deal of creativity, dedication and ownership to each of his projects.

Bill's many and varied interests and skills, both inside and outside the workplace, make him both a versatile employee and a great team player – he learns quickly, applies acquired knowledge well, and is always eager to discuss problems, make intelligent suggestions, and raise concerns before they become problems.

I would highly recommend Bill for employment, and make myself available to discuss his abilities and history with our firm in greater detail.

Sincerely,
