B. Cavell.

VISITORS: Darren and Rachael Powell.

APOLOGIES:

Minutes of meeting 12.09.2005 read and passed as a true record of events.
Moved Ray Clacher seconded David Muirhead all in favour.

BUSINESS ARISING FROM MINUTES:

North Brisbane Junior MCC were refused permission by the Brisbane City Council to drill for water for the tracks at Raubers Road.
For riders interested in going to the Australian Classic Motorcycle Championships in WA in 2006, it was decided that the best way to get there was to hire a pantech and split the cost between the riders. Riders could then get a multiple booking and fly to the event.

RACE REPORTS:

Last Club Meeting for the year was held on 30.10.2006. We had a good roll up and the racing was very good. The track held up quite well although it was getting dusty towards the end of the day. Shane Mather fell and broke his collarbone and ribs and consequently his lung collapsed so he was taken to the RBH where he remained until the Wednesday after the meeting. He is now recovering well and would like to thank all the people who helped him after the accident.

Doug Aitchison raced up at Stanthorpe Super Mono weekend. He had a good day winning a final on Saturday and also getting 2 seconds and 3 thirds. They had a good roll up of bikes with about 12 classics, 12 super monos, 12 super lites plus buckets. The entry fee was \$80.00.

Kevin Beasley won the B final at the Bushrangers speedway and Michael Bamford acquitted himself well at the same meeting.

GENERAL BUSINESS:

There was much discussion amongst members about the membership fees and entry fees that will be charged next year.

Moved Doug Aitchison, seconded Lance Winley that in order to cover the maintenance and upkeep of the track (poisoning grass, cutting grass, watering and repairing the track) and the cost of running race meetings, the Club Committee should put up the cost of race entry fees and club fees. The amount to be decided by the Committee. Passed all in favour.

It was agreed that the Secretary should do a breakdown of all the costs incurred this year to find out exactly how much of members fees are going towards these costs.

Brian Marshall offered to do a First Aid course if the Club would cover the costs. The Club declined the offer but would like to thank Brian for his offer but we do not want to make a precedent and start to pay volunteers for the work they do. It was decided that now the VMX magazine is back in operation the club would write an article on our track and offer it to the magazine for publication.

Darren Powell (visitor) asked to take the floor and was given permission by the President.

He spoke about the Club holding a Long Track meeting at the Gatton showgrounds. His vision was for lots of classes of bikes - eg MX , speedway , classics, 2 valves, evolution, DT and speedway sidecars etc. with no prize money. The Secretary to investigate and get comments from MQ GM.

MEETING CLOSED: 9.20 pm.

NEXT MEETING: 12.12.2005.
