### Try-Its

#### Safety Sense

We will be working on the Safety Sense Try-it in September. We will take a field trip to the Clemmons Fire Department on **September 13th**. Permission forms and details were distributed at the August 23rd parents' meeting. If you have not signed the permission slip, please do so right away.

We will have a Bicycle Rally on **September 27** with the Winston-Salem Police Department. The girls should bring their bicycles and helmets. Look for details at upcoming meetings.

#### Science in Action

Remember our SciWorks trip will be Saturday, **September 29th**. The girls will meet at the church to work on the Science In Action Try-it. We will complete the Try-it at SciWorks and finish the day there. Permission forms will be handed out at the September 6th meeting.

### Religious Emblems Award

To become a Brownie Scout, each girl must make the Girl Scout Promise. The first line of the Promise states, "On my honor, I will try to serve God and my country." By earning the religious emblem of their faith, Brownie Girl Scouts in grades 1-3 will learn how to apply this ideal to their daily lives. Awards will be presented in a special ceremony at Hope Moravian Church on Girl Scout Sunday (March 10th). We strongly encourage each Brownie to earn this award. The pastor at Hope Moravian, Reverend Galan Hahn, has graciously offered to instruct the girls. He can also help you contact the appropriate individual for your faith expression.

The God and Me program at Hope Church will be held on the following Sundays: 10/7, 10/21, and 11/4 at 3:30 PM. Each session will last approximately one hour. Contact the troop leader at [regina\\_lynn@mindspring.com](mailto:regina_lynn@mindspring.com) if you are interested. You may also call Reverend Hahn at 765-8017 if you would like additional information. The following web sites are very informative as well.

We are requesting the following items from our donation list by October 11th. It would be great if we could have these supplies a minimum of two weeks before the October sleepover. Otherwise, we will have to purchase them with troop funds. A thank you to Laurie for donating a can opener and paraffin, and a thank you to Regina for donating 2 cutting boards. Items may be turned in at the beginning or end of each meeting. Please speak with our Inventory Controller, Yvonne Maddex, if you have questions.

The troop can use the list of craft supplies which was passed out at the parent meeting and it can be found on-line.

## LPGA Girls Golf Club

The Ladies Professional Golf Association Girls Golf Club, a national developmental junior golf program that encourages girls ages 7-17 to learn to play golf, helps build friendships, and encourages competition in a non-threatening environment. The Greensboro LPGA Girls Golf club site is one of 80 sites located around the United States, and it is the only club in North Carolina!

The Triad Golf Center, where the events are held, is located on 1350 Tolar Drive near I-85 at Vandalia Road and Rehobeth Church Road. It includes a par three course, driving range, short game practice area and putting green. Robert Linville and Chris Haarlow will serve as the site Directors for the LPGA Girls Golf Club. They have years of teaching experience, have received coaching awards, have played professional golf, and have taken youth to the U.S. Kids Golf World Championship. For further information, and to sign up for the year, contact the Triad Golf Center at 336-852-2155.
