

# BUSHAR FAMILY NEWS

Volume 8, Issue 1  
October– December 2008

## Introduction

Hello Everyone! Hope you are enjoying the fall. It has already started to freeze, but that is to be expected. We are now starting our 8th year of the newsletter. Time goes by so quickly, but I still enjoy writing these every quarter. School is underway and is already keeping me pretty busy, but I have a lot of fun classes, like music and physical education.

## Birthdays

### October

1– Steve Desotelle  
5– Don Morden Jr

9– Nicole & Adam Jaeger  
21– M. Joe & Marie Rell

### News

An addition from last time, Matt Bowen is attending St. Scholastica in Duluth for Chemistry. He received a football scholarship.

## Reunion 2009

We are looking at trying to get the kitchenette for 2009, but we can't reserve it until after Jan. 1, so in the next newsletter we will have information about the reunion. Anyone interested in helping in any way please just send me an email or call me. Perhaps those interested in helping could have a meeting in late February to mid March.

For now that's all I know of. Please send let me know about events coming up. If someone has/had a concert, game, award, or show, ect. let us know about it.

## Closing

Wishing everyone a safe holiday season as we move closer to Halloween, Thanksgiving, and Christmas! Hunter's be safe! As always, please let me know of any additions or corrections to the birthday list. Mistakes are always possible.
