## President's Message

Welcome to the Winter session of the CCSC skating season. Although it took a while to finally get some winter weather, the kids have been enjoying skating since early October and this session promises to offer them a chance to shine.

As many of you know, this is a showcase year (we do showcase every other year). The preparations for showcase are in full swing. It's a very exciting time for everyone and you can read about preparations on page 2. Margaret Shier and her crew are very busy making sure that Showcase is a success and enjoyable for everyone that participates and attends. I'd like to take this time to thank the volunteers that work so hard to keep the club ticking along smoothly.

While we prepare for Showcase, our skaters continue to develop their skills. The Canskaters are working hard to demonstrate the various skills for each badge level. The Powerskaters are also working hard toward their skills. Our more senior skaters are preparing for upcoming test days and competitions.

I, along with the coaches and volunteers, are looking forward to seeing the results of all the hard work our skaters have been doing this season at Showcase and at all the other events they plan to be involved in.

We hope you enjoy this entire winter session and look forward to seeing you all again next fall.

Sincerely,  
Cathy Goudreau

## Showcase: BROADWAY AND THEN SOME

### *Update:*

It's that time again. Time for music, costumes and lots of fun! **It's Showcase time!**

If you are new to the club, showcase is an exhibition presented to the parents, family and friends by the skaters of the Caledon Centennial Skating Club. It is an afternoon that will be both enjoyable for those watching and extremely rewarding for each skater, coach and person involved.

The coaches are putting the finishing touches on routines and skaters are looking forward to putting on the costumes for BROADWAY AND THEN SOME, the biannual club Showcase to be held on Sunday, March 4th at Mayfield Arena. Be sure to tell grandparents, aunts, uncles and friends to mark their calendars! Tickets will be going on sale soon.

### *Volunteers Needed!*

For our show to be a success, we need volunteers to help. If you can spare a few hours to help prepare costumes, work on props and decorations, sell tickets, take tickets, supervise dressing rooms, etc., please contact Margaret Shier at (905)838-2874 or email shierme@hotmail.com

### *Donations Accepted!*

Part of the fun of this eventful Showcase day is a 50/50 Draw as well as a Raffle. We currently have a couple of prizes donated by local business and organizations for the Raffle but we need more! If you have an item or service which you could donate, please contact Lisa Graham at (519)927-9871 or email lgraham@mdswireless.com
