BOOKS AND VIDEOS  
AT THE  
MORGANTOWN PUBLIC LIBRARY SYSTEM  
DONATED BY THE  
COMMUNITY COALITION  
FOR SOCIAL JUSTICE  
to promote tolerance  
and a commitment to justice in our community

July 2007

## **Community Coalition for Social Justice**

The Community Coalition for Social Justice (CCSJ) was founded in 1999. It is a coalition of organizations and individuals dedicated to promoting the principles of social and economic justice and respect for all persons and to opposing discrimination and hate-motivated violence in Morgantown and surrounding communities. We welcome all individuals and organizations who share our goals to become members of CCSJ.

CCSJ thanks Sharon Turner, Ellen Hathaway, and Nancy Gallagher of the Morgantown Public Library for their assistance and the Morgantown City Council and Dan Boroff, Morgantown city manager, for providing the funds to make this project possible. The Appalachian Community Fund provided \$4000 through a grant to CCSJ to purchase books for the Clay-Battelle and Clinton District Public Libraries in 2004-2005. The Appalachian Community Fund, based in Knoxville, Tennessee, provided funding for books for the Clay-Battelle and Clinton District libraries.

The books and videos in this catalogue are available at the Morgantown Public Library (MPL), Cheat Area Public Library (Cheat), Clay-Battelle Public Library (CB), and/or Clinton District Public Library (CD) as noted by the appropriate initials. The Community Coalition for Social Justice (CCSJ) has provided the funding for almost all of the books included here that are at the Morgantown Public Library, Clay-Battelle Public Library, and Clinton District Public Library. If the same title is available at the Cheat Area Public Library, that is indicated here, although those materials were purchased with other funds.

Developing this catalogue has been a cooperative effort. Suzanne Gosden of the West Virginia University Job Accommodation Network compiled the list of books about children and disabilities from which the library purchased many of the books in these categories in 2003. Most of these books are listed here under the type of disability, i.e., asthma/allergies, cancer, etc., rather than under the broad title of "Disabilities-General Topics" to make it easier to find sources on a particular topic. Faculty and staff of the West Virginia University Native American Studies Program identified resources to purchase on Native Americans in 2005. Members of the Morgantown Chapter of the National Organization for Women and West Virginia University Center for Women's Studies identified books on women's history in 2006.

Wherever possible, we have included reading levels for the children's books.

Teachers' guides and videos are listed at the end of the brochure.

Books indicated with an \*\* are donated in honor of Emily A. Spieler, CCSJ founder and first president (1999-2002).

**Note:** Each book is listed once, although some may fit into more than one category. Each listing includes: Author (last name, first name), *title of the book*, publisher, date of publishing, suggested grade, and call number. At the end of each book listing, you will find codes to identify the libraries which carry this book. Books identified with "MPL" are found in the Morgantown Public Library on Spruce Street. Those identified with "Cheat" are at the Cheat Area Public Library and were purchased with library funds. Those at the Clay-Battelle Public Library are identified with "CB," while those at the Clinton District Public Library are identified with "CD." While CCSJ and ACF funds were not used to purchase books for the Cheat Area Public Library, we are included those references here.
