President's Report

Hi everyone,

I am at the stage where I am at a loss for words. We are doing everything we can to fix the arena problem and working hard also so we can still have our Open Day, which again is under threat because of things being delayed. Please don't get me wrong, I know we have a new system to work with council and they laid some red tape on us, which we have to comply with. If we have to cancel this day, it won't be for the lack of trying to get things done. Paper work and plans that have been submitted to council take time to prepare. I want to thank those who have put in the long hours this takes to do. I know we have to move on from what has happened, but I also feel that the club is not being supported enough through these hard times and the people doing all the work and helping are the same people that do it all the time. We have asked for someone to help us with canteen duties, no-one has come forward so there will be a roster sorted to each internal and open day we have, everyone will be asked to do some canteen time on these days, after you ride, before you ride or if you are not riding. Next weekend we have arranged a working bee to start at 9am. We need everyone and everything they have that can help us fix things and help clean up. We also need some men to possibly help with fixing the yards that are falling apart and are dangerous and also to help with putting the logs back around the arenas.

I am also disappointed at the response we got to the Des Huges clinic, 5 people turned up!!! We get grants to put these things on and on-one turns up for it. It was a very informative session and he has given us something to work on for our cross-country and we have a better idea of how it should be run, even for internal days which will be a lot of fun when we get it going.

People I am simply asking you to come and support us when we are down on our luck. All this has made us a stronger club, and we are still trying to have things go on so we can still run as a club, but we need our members to help out!!! We have nearly 80 members, WHERE ARE YOU!!!!

As I have said before, if there is anything you want to talk about or discuss with me, please do not hesitate to ring me.

Cheers for now
Catherine Mackie.

Minutes of the Cedar Grove and District Riding Club – Meeting 11/03/09

LOCATION: Cedar Grove grounds

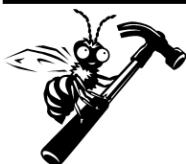

ATTENDEES:

APOLOGIES:

Minutes unavailable - due computer problems.

...Next Meeting is on the 8th April at 7pm, at the Club House...

Working Bee for THIS Saturday 28th March at 9am.
Jobs that needs doing at this working bee include:-

- Fixing yards and clean up around yard area.
- Mowing and whipper snipping around club house and sand arena behind club house.
- Cath will try and get hold of some spray to kill weeds along fence lines around the arena and outside areas.
- Inside club house and kitchen area needs great attention. So some extra mops and hard bristle brooms would be great.
- Some paint brushes to paint roller door on the club house to get rid of some graffiti.

We need mowers, whipper snippers, tools to help fix yards, paint brushes, shovels, ride on mowers, weed killers, and wheel barrows. Anything you can imagine that can help with clean up, trailers, buckets if I have left anything out, bring it along too.

12.00 LUNCH TIME -

Lunch is being provided for workers, sausage and drinks also some refreshing fruit. 1 hour for lunch and then back to it.

Hopefully be finished around 3pm.

At lunch time, Cath wants to discuss some things with members to help the club with some fund raising. Cath has some ideas she wants to share with all.

If it is raining, the working bee will be automatically cancelled.

Dressage Day 29th March – LOGAN VILLAGE RIDING CLUB grounds

Logan Village Riding club has been kind enough to lend us their grounds for the day at no cost to us. They want to run the canteen and the proceeds from the canteen goes to them. We do however need a hand from a couple of people to take our pipe arena down to Logan Village and help set up 3 arenas. We have around 80 riders who have nominated for this day. This is wonderful of Logan Village to help out. I hope one day we can return the favour in some way.

goes to Logan Village Riding Club for the help!

SADDLEFIT WORKSHOPS

with ASFA accredited
Suzanne Gibbon

07 3800 6748 OPEN 7 DAYS
www.shiresaddlery.com

ASFA is endorsed and accredited by the Australian Veterinary Chiropractors Association. An association made up of highly qualified Veterinarians and Chiropractors. The reason it is so important to ensure your saddle fitter is qualified with the ASFA is because it means you are getting the best possible standards in saddle fitting.

When it comes down to it, saddle fitting is all about the health of your horse and the performance of you both as a single functional unit. Top performance only comes from your horse being fit and the two of you operating as a team. As the saddle is the major interface between horse and rider, the fact that proper saddle fitting is essential is undisputable.

*You have a horse. You have a saddle.
You know where the saddle goes. But...*

Do you know if the saddle fits?

ABC of Saddlefit is a workshop aimed at contributing to a better understanding between horse, saddle and rider and will provide participants with a static and dynamic demonstration of saddle fitting. Limited numbers for group bookings to provide a very much hands-on approach. Contact us for further information or to book a workshop.
