President's Report

Hi everyone,

Sorry it's a late President Report.....hope you are all well and dried out, I must admit I have not seen this kind of rain around for a long time. I took some pictures down at the club last Wednesday and I will get them printed off for you all to see how much water has been through the grounds and why the decision was made to postpone the Open Showjumping Day.

I made the decision for the benefit of the club in relation to Council and what damage could of been done around the grounds with floats and the possibility of people getting bogged with their floats on and also the damage that could of been done to the existing arena area. Things are going well with the Council approving the work to be done and started on the arenas very soon, and that there is a strong chance that the arenas could be finished by the end of June.

I do not want to jeopardise the hard work and time that has been put into this project this time around. We are dealing with a different and hard council and we need to work with them to gain and rebuild the club back to its full potential and not have to cancel any more days and run to full capacity. So the Open Showjumping Day is postponed until further notice, so if everyone can let everyone know, it will be on the website and if anyone had any questions or want to have a talk, please do not hesitate to ring me. I only have my mobile number 0411 626 921, have sold house, no email or home phone!

In June I am hoping we can organise some information nights at the club, some members have come up with some good ideas and I will work on putting these together and letting everyone know about those. So happy riding and we will see you at the next meeting which is the 10th June, please come along and share your views.

Cheers for now
Catherine Mackie.

NEW DRESSAGE TESTS

The new dressage tests (effective 1/7/2009 to 31/12/13 and Explanatory Notes have just been loaded onto the EA website and are available for download - www.equestrian.org.au - follow the link.

The tests will also be available in hard copy from the National Office for a minimal charge per set.

There is a quick link from our club website - you can download the new dressage tests off there!

PLEASE NOTE to Members:

2 dressage arenas are OUT OF BOUNDS until Greg has finished with them and Council has been out to look at them. Again please note that there will be trucks coming and going from the grounds so if you are down there with your horses, just be careful and take note of what is going on around you. Also the jumping arena is still very wet so PLEASE until it dries out - DON'T use it.

Email Addresses

Please be sure to keep us updated with changes to your email address so as not to miss out on important information and newsletters. We regularly send out reminders and messages to our members via email and if you no longer have an account you may miss out on something important. All newsletters will be posted to members whose emails bounced back.

Remember Email users hear it first!

SADDLEFIT WORKSHOPS

with ASFA accredited
Suzanne Gibbon

07 3800 6748 OPEN 7 DAYS
www.shiresaddlery.com

ASFA is endorsed and accredited by the Australian Veterinary Chiropractors Association. An association made up of highly qualified Veterinarians and Chiropractors. The reason it is so important to ensure your saddle fitter is qualified with the ASFA is because it means you are getting the best possible standards in saddle fitting.

When it comes down to it, saddle fitting is all about the health of your horse and the performance of you both as a single functional unit. Top performance only comes from your horse being fit and the two of you operating as a team. As the saddle is the major interface between horse and rider, the fact that proper saddle fitting is essential is undisputable.

You have a horse. You have a saddle. You know where the saddle goes. But...

Do you know if the saddle fits?

ABC of Saddlefit is a workshop aimed at contributing to a better understanding between horse, saddle and rider and will provide participants with a static and dynamic demonstration of saddle fitting. Limited numbers for group bookings to provide a very much hands-on approach. Contact us for further information or to book a workshop.
