## NOTES for Members:-

### Xanthe Ballinger:-

Wishes to say a thank you from the jumping committee to Steve and Pieter Barnard for moving the Cross Country jumps down to the jump area. They spent a couple of hours on 17th November (while I was at home with a sick horse) - moving jumps in the stinking heat!!!

Also please note that my contact phone number has been changed to 5543 1509 - thanks to Telstra who totally screwed up my lines I'm sticking with the newer number. Thanks.

### Marlene Moriarty:-

Arian's clinic was held on Sunday 9 November. Arian displayed her gift for riding and teaching throughout the clinic. Arian rode several of the horses who attended the clinic and riders also spectators sat in awe as she achieved a beautiful, correct, forward going horse on each of the horses she rode. Arian not only dealt with the problems of the horses but also corrected the rider's position. Everyone who rode left their lesson with new knowledge and something to aim for.

Arian is based at Yandina on the Sunshine Coast. She is prepared to do clinics at Cedar Grove. So if there are members who are prepared to commit to lessons at a clinic, please contact Marlene Moriarty.

Our club member and friend, Deb Vogler had some bad news with her little grey horse Toby 'Iris Rose' to recover from serious injury (26/10/08).

The latest news was good - Toby is on the mend, he has had one visit to the chiropractor and one lot of massage!

Lets keep our thoughts for this little Toby - it's on his way back to health....

Toby at his Freestyle Dressage test - he won!

Welcome to the Cedar Grove & District Riding Club....

## CG&DRC Internal Show Jumping Day Report - 16<sup>th</sup> November

Well what a wrap up for the year for the club. The jump day on Sunday the 16<sup>th</sup> was really well attended. We had members coming out of the woodwork that we haven't seen in ages as well as some members that are so new we hadn't yet met! Fantastic, it was lovely to see you all!

We were especially delighted to see so many kids coming down for the day. From the 2 littlies in the trot pole class, Jade and Alyssa to the regulars that come and ride at everything. It is heartening to see so many kids involved. We have some great talent within the ranks and I'm sure we have some budding showjumpers and eventers out there!

Huge thanks to everyone who helped out with setting up on Saturday, along with Anthony who built a great course for everyone and Cath who spent the day judging. A special mention to Deb Morris who comes to everything and hangs about to help. Whether it's setting up or helping pencil or put up rails, Deb and Jaylee have been there to help out. Thanks heaps!

We have some great jumping gear to use now members. Please give Xanthe a call or email if you would like the keys to pull out jumps. We have our cross country jumps that I know many of us have practised over already. Next year we would like to hold a few more jump days. We ideally would like to hold a jump day of some sort on the alternate month to the dressage days. We just need to know that the members will pitch in and help and we'll happily put the classes on. Please give us some feedback on what you would like and if it can be done, we'll give it a go.

Have a great Christmas everyone and look forward to seeing you all next year!  
Xanthe and Jess

## Compleat Feed

All these rations were developed exclusively for and have been used with the makers of Compleat Feed's own horses for many years with outstanding results and success.

These feeds are *absolutley non-heating* through the use of micronized grains and a high oil content!

I myself have tried this Compleat Feed and were absolutely amazed by my findings that I only feed so little and get brilliant results in short time — that's where I decided I would become one of their distributors for this local area!

## SADDLEFIT WORKSHOPS

with ASFA accredited  
Suzanne Gibbon

07 3800 6748 OPEN 7 DAYS  
www.shiresaddlery.com

ASFA is endorsed and accredited by the Australian Veterinary Chiropractors Association. An association made up of highly qualified Veterinarians and Chiropractors. The reason it is so important to ensure your saddle fitter is qualified with the ASFA is because it means you are getting the best possible standards in saddle fitting.

When it comes down to it, saddle fitting is all about the health of your horse and the performance of you both as a single functional unit. Top performance only comes from your horse being fit and the two of you operating as a team. As the saddle is the major interface between horse and rider, the fact that proper saddle fitting is essential is undisputable.

*You have a horse. You have a saddle. You know where the saddle goes. But... Do you know if the saddle fits?*

**ABC of Saddlefit** is a workshop aimed at contributing to a better understanding between horse, saddle and rider and will provide participants with a static and dynamic demonstration of saddle fitting. Limited numbers for group bookings to provide a very much hands-on approach. Contact us for further information or to book a workshop.
