▶ All these rations were developed exclusively for and have been used with the makers of Compleat Feed's own horses for many years with outstanding results and success. There was nothing available in the marketplace they were inclined to want to feed them despite having trialled quite a few (and there were others that where they simply refused to even trial).

I use Compleat Feeds and have done for considerable time, am absolutely amazed at the results I have achieved with my horse through feeding so little yet achieving such a magnificent result in both looks and performance. This is the main reason I became involved as a distributor for Compleat Feeds in the Jimboomba/ Cedar Grove area.

Have a good look at the side photos of 'before' and 'after' photos, AMAZING results!! Go into their website (www.compleatfeed.com) for the Testimonials (for Old Timer and Yearling Prep) to read. Try it for yourself and see...
