## RELEVANT EXPERIENCE

March 2008 - March 2009 **Property I.D.** / Los Angeles, CA  
Designed the corporate web site as an award winning marketing tool for real estate agents. Wrote award winning news articles that helped real estate professionals focus their marketing efforts in a difficult economy. Worked on large-scale, statewide marketing efforts.

September 2006 - January 2008 **Hart Entertainment, Inc.** / Burbank, CA  
Responsible for the development of projects including web and print design. Hart Entertainment/Transportation was a fast paced, dual environment where the design department was required to meet the needs of both the entertainment and transportation divisions.

February 2005 - June 2006 **Somerville School District** / Somerville, MA  
Worked as a substitute teacher in a racially diverse part of Boston. I was a favorite of many teachers and students because of my passion for education and an ability to communicate well with students from any background. K-12, special needs.

July 2003 - December 2003 **Portsmouth magazine** / Rollinsford, NH  
Recommended as an intern by my photography professor and later hired as the design assistant upon graduation. Oversaw the initial layout of the regional lifestyles magazine. Other responsibilities included advertising design, photo editing/retouching and office management.
