

Chained Sparrow

*In my dreams
Like a sparrow
I gaze into deep blue sky.
White clouds there
Like my dreams
Invite me to soar high.
Peaks of mountains
Like my ambitions
Challenge me to
Conquer their heights.*

*When I'm about to
Take a flight,
Spread my wings
Only to learn that
I'm a human being
Chained to reality.
In my dreams
There is no cage
But sparrow finds
Its wings clipped.*
