

## *Time to Go ...*

*Time that's gone by*

*Comes back to us*

*When it is time to go.*

*All that we gained*

*And all that we lost*

*We only evaluate*

*When it is time to go*

*Sorrows that pained*

*Moments we laughed*

*We live them again*

*When it is time to go.*

*Frustrated defeats*

*Ambitions not achieved*

*Bother too much*

*When it is time to go.*

*Expectations not met,*

*Promises, regrets,*

*Make us desperate*

*When it is time to go.*

*What we hated to love*

*And we loved to hate*

*Is there to irritate*

*When it is time to go.*

*Credit of good*

*Debit of bad*

*We only account*

*When it is time to go.*

*Time that's gone by*

*Comes back to us*

*When it is time to go.*

*--Chandra*
