

Chart Polski International

LIFESPAN AND CAUSE OF DEATH

This is an inquiry for all Chart Polski owners and breeders. By this inquiry the Chart Polski International tries to find out the real average lifespan of the Chart Polski and the most common causes of death.

Answers will be handled confidentially. The average will be calculated and updated always after every answer. Every single answer makes the average more accurate.

Please send the answer no matter if the death of your dog was accidental or natural.

Chart Polski International is grateful for all peoples' help!

Name of the dog *

* The name of the dog will be not published. It is needed only for technical reasons and for avoiding possible mistakes when compiling statistics.

Male Female

Date of birth (yyyy-mm-dd)
