

CHERRY STABLES

Service Description Sheet

Welcome to Cherry Stables. We would like to provide you with the following description of services. Modifications of service descriptions may be made upon discretion of the Stable. Please request updated Service Description Sheets prior to ordering additional services.

Exercise Package – Turn Out Package are for a maximum of one hour in the turnout field two times a week. Round Pen Work Package will be 20 minutes exercise in the round pen two times a week. You may combine the two packages with one turn out and one round pen session per week. For additional sessions, you may purchase a second package.

Blanketing – Blankets will be put on the horse(s) in the evenings and removed in the mornings. Owner to provide clean blanket(s) and the months the Stable is to blanket the horse(s). A charge may be applicable for changes made mid-month.

Medication Administration / Bandaging / Wound Care – Medical care is available upon request and consultation, instructions and approval by your Veterinarian is required. Price is dependent upon time and expertise needed to provide the administration of the medication.

Foaling/Lay-up Stall – Foaling/Lay-up stall will be bedded with straw, cleaned daily by Stable, medical condition of horse is checked at feeding and a monitor camera is provided with purchase of this service. At an additional charge, a photo of the inside of the stall can be sent to the owner's computer hourly.

If available, the use of the Foaling/Lay-up stall is free for Cherry Stables resident boarders two weeks prior to mare's due date and two weeks after parturition. Stalls to be cleaned by resident boarder and bedding to be provided by resident boarder.

Foaling Out – Stable expertise is provided, horse is checked daily for signs of parturition, a sound monitor is used to assist in detection of foaling in the evening, and camera photos of stall to be checked by Stable. Foaling consultation and veterinary technician services are included. Owner to be notified of horse's physical and mental changes noted by Stable. A local Veterinarian must be chosen by Owner prior to parturition for emergency veterinary care. Stable presence is not guaranteed during foaling. This service is not available for owners without firm conception dates.

Farrier Holding – Cherry Stables does not charge for retrieving and putting horses up for the regular scheduled Stable farrier. If you would like to be on the Stable schedule with our horses, please place your request in writing with all applicable directions, leave a message on our call center, and drop the written request in our box. If your horse requires to be monitored or held during the appointment, a service charge will be applied to your bill. For your designated farrier, please provide two weeks notice to the Stable and fill in the Additional Service Sheet below.
