## Global Church Focus

### OVERWHELMED - Ronny & Sharon in the Philippines

Last week, 74 Filipinos died in a stampede when 30,000 people tried to enter a stadium meant for 17,000. Another 600 people were injured. A game show had offered prizes of jeepneys, houses and one million pesos cash prize.

Since around 33 million Filipinos live on about 100 pesos (7 Ringgit) a day, game shows like this has many fans. Some camped outside the stadium for days to ensure their chances for raffle tickets. This tragedy came at a time when we were already feeling overwhelmed by the poverty of the masses.

Last week, we were distressed to know one newcomer has been asking church members for loans. Now she has stopped coming because of embarrassment. Others were in need because of ill health, no work, emergency operations, etc. It is impossible not to do something.

Back in the late 80s, we asked a missionary to the Philippines how he related to the political situation in the wake of the era-changing People Power revolution. He said, "We don't get involved in politics. We just preach the gospel." It is impossible to adopt a similar attitude and say, "We don't get involved in the poverty. We just teach the Bible."

### New Ministry Developments

Twelve assembly workers in Rizal have asked Ronny to mentor them. Two others have asked Ronny to help organise Youth Rallies. Ronny will also organise Inductive Bible Study seminars in October.

Dear partners, we would greatly appreciate your prayers for wisdom in these undertakings, as well as current ministries and the poverty problem. Our ministry is your ministry too!

Until the war is over, and the Kingdom is come.

RonSharon
