President's Corner

Ladies,

Thanks to everyone who joined us for the Kick-Off meeting this week. It was great to see you! We have some terrific events coming up in the next month, including CAP Happy Hour, the CAP Roundtable and the NPC Luncheon. For those of you who haven't attended a CAP Roundtable, it is one of our best events. It gives members a chance to share problems, solutions and ideas. If your chapter has an issue, another chapter probably has found a solution to that issue. It is also a great way to network and meet new people. We hope you can join us on November 5 at 6:30! Also check out the Events calendar in the newsletter to see what is upcoming for CAP and our chapters.

With Panhellenic love,
Jackie ☺

Looking to meet other sorority women in Chicago? CAP is an excellent resource to network with sorority women from 26 NPC chapters.

What Is CAP?

The Chicago Alumnae Panhellenic (CAP) is one of the most well represented alumnae panhellenics in the Midwest region. CAP was established in June 2001 and chartered by the National Panhellenic Conference (NPC) in May 2002. The purpose of the Chicago Alumnae Panhellenic is:

1. To inform collegiate women about the 26 NPC organizations and NPC's membership process.
2. To provide a networking system for alumnae women in the Chicago area.
3. To provide scholarships for deserving collegiate women from Illinois or women attending a college in Illinois

Structure, Meetings and Events

1. Chicago Alumnae Panhellenic council: One delegate and one alternate delegate representing each of the 26 NPC organizations.
2. CAP Business meetings: Periodic business meetings for the council members to discuss upcoming activities and important business matters
3. Social events: Monthly social event **that is open to all sorority women**. Delegates are encouraged to facilitate information on upcoming CAP events to their members.

Since its creation, Chicago Alumnae Panhellenic has established a presence in the downtown Chicago area. Currently, CAP's main focuses are social, networking and alumnae chapter support events. Philanthropy, programming, and pre-recruitment activities will be included in the near future.
