

SCOUTMASTER FUNDAMENTALS
FEB 16-18 2001
CAMP COKER

Dear Scouter,

The winter 2001 Scoutmaster Fundamentals training course is almost upon us. The course will be held at Camp Coker beginning at 6:00 PM on Friday, 16 Feb 01, and conclude at 3:30 PM on Sunday, 18 Feb. The course will only take a weekend to complete. This is a great opportunity for any Scoutmaster, Assistant Scoutmaster, or Troop Committee member to learn ways to improve the operation of his or her troop.

The cost for this training is \$25, which includes meals, materials, and insurance. You will learn techniques fundamental in providing a Scouting program which challenges the boys without creating "burnout".

Participants should have the following when they arrive on Friday evening: sleeping bag, tent, flashlight, appropriate personal gear (see Boy Scout Handbook), and pen. Please dress in uniform if you have one (Class A is appropriate for most of the activities_ -- otherwise dress appropriately for an outdoor experience. Since Friday evening is very busy and the session will go late, please **EAT BEFORE YOU ARRIVE FRIDAY EVENING!**

Check your calendar now and make the commitment by sending your registration form to the Council office at:

Boy Scouts of America
Pee Dee Area Council Office
P.O. Box 268
Florence, SC 29503
