

2009 Ohio Coding Summit

Medical Coding & Healthcare Compliance

October 22-23, 2009

Hartwell Recreation Center

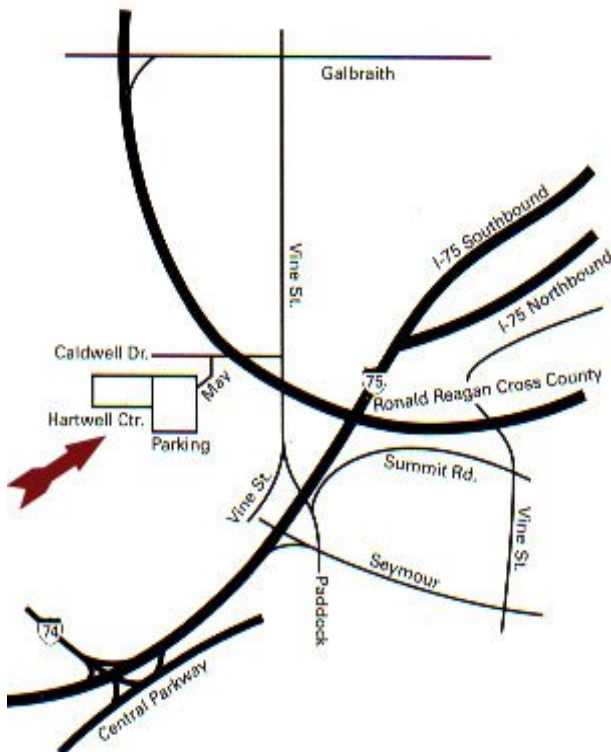

59 Caldwell Drive, Cincinnati, OH 45216

Join us for this 2-day, fun-filled, information packed event. Medical Coding & Healthcare Compliance has held Coding Summits in California, Texas, Alabama and Florida this year, but none of them came close to the event to be held in Cincinnati, Ohio, October 22-23, 2009. This year we host 8 speakers from multiple specialties and disciplines in the healthcare industry. Choose from 18 different topics ranging from RAC Appeals Process to Tips for Successful Provider Reimbursement. Each session you will have the option to choose the topic you feel best suits your need. Earn more CEUs for less when you attend all of the sessions offered.

Lunch is included this year in your registration fee. Catered lunches will make it easier for you to stay on-site, network with others and gain the full experience of the Ohio Coding Summit.

Save when you register early. No extensions will be given this year, as head counts must be given early to caterers.

DIRECTIONS TO THE HARTWELL CENTER

From downtown Cincinnati,
take I-75
north to the Paddock Road exit.

Turn left and follow through the
second traffic light on to Vine
Street.

Follow Vine Street to the third
traffic light.

Turn left on to
Caldwell Drive.

Turn left at the
Hartwell Recreation Center
entrance.

(located below the Ronald
Reagan Hwy overpass)

Meet the Presenters for the 2009 Ohio Coding Summit.....

Joseph E Newsome, CPC, CPC-I, CEMC, MCS

Joseph has extensive experience with Coding and Billing. Prior to joining MCHC, he worked for a large California Medical Management Company. His duties included training, auditing, performance audits, compliance and documentation. Joseph's practice management experience has allowed him to work as an independent consultant. He has served on the Advisory board of educational institutes and has dedicated his service to the success of Medical Coding & Healthcare Compliance.

Candice L Ibarra, CPC, CPC-I, MCS

Candice has worked in the healthcare industry for over 10 years. She has focused on healthcare administration with an emphasis on medical billing, coding and auditing. While Candice currently works full-time for a medical management corporation in the Inland Empire as an Accounts Auditor, she also serves as our lead instructor in California, teaching the Professional Medical Coding Curriculum administered by the American Academy of Professional Coders. Candice was Medical Coding & Healthcare Compliance's 2008 Teacher of the Year. She also makes speaking appearances for MCHC across the country.

She served on the Advisory Board for a coding association, and continues to assist others in the coding community by providing tutoring services.

Christy A. Cribbs, CPC, ROCC

Christy is a Regional Financial / Special Projects Manager for 21st Century Oncology of Fort Myers, Florida. She started at 21st Century over 10 years ago as an Office Financial Manager / Coder. The specialities of the Company are many with Christy's main focus being radiation oncology. She has become an integral part of the Company and attributes it to hard work and a positive attitude.

Christy has been a Certified Professional Coder since 2004 and a Radiation oncology Certified Coder since 2005, her education was in English education at Ohio University and she still takes advantage of opportunities to learn more, particularly on subjects in her field.

Stephanie Delpercio, CPC

Stephanie has over 20+ years experience in the healthcare industry. Specializing in OB/GYN, she has worked as an outpatient hospital billing clerk and in Coding / Charge entry. In addition, she has served as a Client Service Analyst, Clinical Revenue Coordinator and Data Analyst.

Currently she is preparing for the Health Information Management credential. She has 2 daughters, one in social work and the other in human rights.

Mickie Santiago-White, CPC, CHSA

Mickie has over 24 years of progressive healthcare services experience with a Master of Science degree in Healthcare Administration, and a Diploma in Computer Programming. She is Certified in Medical Coding and Billing and Electronic Medical Records. She has worked in leadership roles with medial directors, chief information officers, and the c-suite of executives, nursing management, and financial departments for multiple facilities across the country including, Baylor College of Medicine, Harris County Hospital District, the Cleveland Clinic Foundation, Texas Health Resources and Kaiser Permanente.

She has served as project manager and system analyst for optimization, training, implementation, production support, and coding and billing. She is a college educator and tutor; and, an educator for physicians and residents, nurses, and front-office staff working hands-on in various clinical settings.

Angela Boynton, CPC, CPC-I, RHIT, CCS, CCS-P, CPC-H, CPC-P

Angela "Annie" Boynton has served in the HIM field for nearly 10 years in both provider and payer capacities. Currently, she works for Massachusetts-based Fallon Community Health Plan as a retrospective medical claims reviewer. Annie is also part of the AAPC's Health Plan ICD-10 Committee where she develops curriculum that will be used nationally by payers to assist with ICD-10 implementation. Annie is also an adjunct faculty member at Massachusetts Bay Community College where she teaches coding, administrative procedures and law & ethics for allied health professionals.

Marchelle Cagle, CPC, CPC-I, PCS Speaker

Ten years as a practice administrator has given me extensive experience in coding, accounts receivables, HIPAA, compliance issues, fraud and abuse. In 2006 I became a Certified Professional Coder credentialed with the American Academy of Professional Coders. In 2008 I received my Certified Professional Medical Coding Instructor certificate. I have worked with many medical specialties in the areas of chart auditing, reimbursement, and compliance issues. I have previous experience consulting for a hospitalist and neurology group and recently presented at a national healthcare conference. I am currently teaching coding classes in Birmingham, Alabama.

Kim Day, CPC, CPC-I Speaker

Kim is the practice manager for The Urology Group's Northern Kentucky Division. She has 15+ years experience in health care which includes multi-specialty experience, E/M coding, auditing, consulting and revenue cycle management. As a licensed instructor for the AAPC, she provides coding education for physicians as well as coding staff and facilitates audio conferences for Audio Educator. She is actively involved in the American Academy of Professional Coders as well as the MGMA, serving as the vice-president for her local chapter, CMGMA

Topic Descriptions.....

Tips for Successful Provider Reimbursement

Presented by: Angela Boyton, CPC, CPC-I, RHIT, CCS, CCS-P, CPC-H, CPC-P

2 CEUs awarded for attendance

What reimbursement issues are happening in your office? This session will address tips to improve provider reimbursement from the payers perspective.

2010 OIG Workplan

Presented by: Marchelle Cagle, CPC, CPC-I, PCS

2 CEUs awarded for attendance

How does the Office of Inspector General's report affect your practice? Learn how to obtain and use the information within this report to ensure your practice is in compliance.

How to Complete a Coding Audit

Presented by: Joseph Newsome, CPC, CPC-I, CEMC, MCS

2 CEUs awarded for attendance

There is a difference between the words complete and conduct. Set up and complete a coding audit within your practice using the tools and resources provided during this session along with your coding experience.

The Coding Game

Presented by: Candice Ibarra, CPC, CPC-I, MCS

1.5 CEUs

Sharpen your coding skills as we review 3 coding areas: E/M, Anesthesia and Medicine. This interactive session will have you on top of your coding toes. Over 20 questions to test your knowledge in an interactive game. Only the winner will walk away with the top prize.

Communicating with your Providers

Presented by: Marchelle Cagle, CPC, CPC-I, PCS

1.5 CEUs awarded for attendance

How to effectively communicate with your providers in the short amount of time we are allotted. What should be included? Learn to present all the facts so an informed decision can be made.

RAC Appeals Process

Presented by: Marchelle Cagle, CPC, CPC-I, PCS

2.0 CEUs awarded for attendance

Understand rejections, RAC and CERT. What are the levels in the appeals process and how do you navigate your way up the ladder? How to write a cover letter and what do you need to send with the appeal? Attend this session and be prepared for your next appeal.

Coding Oncology

Presented by: Christy Cribbs, CPC, ROCC

1.5 CEUs awarded for attendance

Learn the importance of ICD-9 selection and sequencing when coding oncology. Review the use of heparin for Port Flushes. What are the CPT changes and bundling issues? How to properly document Hydration.

Coding Cardiovascular Procedures

Presented by: Angela Boyton, CPC, CPC-I, RHIT, CCS, CCS-P, CPC-H, CPC-P

1.5 CEUs awarded for attendance

Explore the tip toe world of cardiovascular coding. Lets go on a pacemaker adventure and fly through cardiovascular procedures.

Coding OB/GYN Procedures

Presented by: Stephanie Delpercio, CPC

2.0 CEUs awarded for attendance

Address Global billing with OB care. Why does the global package differ from carrier to state? What is truly included? How to bill fee for service for items outside of the global package without being denied? Discuss common GYN procedures that are commonly denied.

Coding Ethics: Ready, Set, Protect

Presented by: Angela Boyton, CPC, CPC-I, RHIT, CCS, CCS-P, CPC-H, CPC-P

1.5 CEUs awarded for attendance

Most coders encounter that sticky situation where the lines have been blurred slightly. Learn how to apply the AAPC code of ethics into your work routine and protect you and the practice from potential issues.

ICD-10 Update, What's Ahead

Presented by: Stephanie Delpercio, CPC,

1.5 CEUs awarded for attendance

The date has been set, and the implementation begins. What steps will you need to take to ready yourself and the practice? Methodology of diagnosis reporting will change.

Charge Reconciliation and Billing with EMR

Presented by: Mickie Santiago, CPC, MHSA

1.5 CEUs awarded for attendance

Maximize the resources within your EMR to enhance charge reconciliation and billing functions.

Coding, Documentation and Compliance with EMR

Presented by: Mickie Santiago, CPC, MHSA

2.0 CEUs awarded for attendance

Does your EMR system meet necessary security standards? This in depth view of EMR is geared to maximizing the use of EMR through effective procedures ensuring data copying and checklist are not over-utilized.

Coding Urology Procedures

Presented by: Kim Day, CPC, CPC-I

1.5 CEUs awarded for attendance

Explore the land down under, the world of urology coding. Correct coding and guideline application. View some of the Emergency Departments not so funny urology clips.

Schedule of Sessions

Review the schedule to determine what sessions you would like to attend. Some sessions have more seating than others, therefore it is important to select your sessions at the time of registration. Please note that sessions, dates and times are subject to change with little to no notice. We will make every effort to accommodate everyone's request. To verify if a session still has seating remaining, please contact our office at admin@coderclass.com for confirmation.

October 22, 2009 Thursday

8:00—10:00 am	(A) How to Complete a Coding Audit 2.0 CEUs (B) RAC Appeals Process 2.0 CEUs
10:00 am	Break
10:15—11:45 am	(A) ICD-10 Update, What's Next 1.5 CEUs (B) Communicating with your Provider 1.5 CEUs
11:45 am	Lunch
12:45—2:45 pm	(A) 2009/10 OIG Workplan 2.0 CEUs (B) Coding Oncology Procedures 2.0 CEUs
2:45 pm	Break
3:00—4:30 pm	(A) Coding Urology Procedures 1.5 CEUs (B) Coding OB/GYN Procedures 1.5 CEUs
