Hi David,

Are you talking about the Home Depot on Cambridge and Country Club? I am against the rezoning to bring a large commercial anchor to this location. This parcel is too close to residential neighborhood and needs to be light commercial and commercial professional offices as it is originally zoned for. I believe you sent me the link on the web site that has my position on this issue. Please let me know if this answers your question.

Thanks.

Subject: Supervisor Position question

Shiva,

Can you tell me your position on the building of a Home Depot in Cameron Park?

Regards,

David Glas
