Your Work Matters to God

Tom Kish

Lake Country Bible Church

Delafield, WI.

For most of us, the responsibility to work has been so ingrained that we seldom stop to think about its eternal significance; the impact it has on us individually, our family, and on those with whom we conduct commerce. There's no doubt that expectations of employers and employees has never been higher. This seminar will remind us of God's mandate for his people from Micah 6:8 ".....And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God," and encourage us that our mandate from God fits perfectly into our responsibilities at work
