

RALLY!

This year the J.V. football team will be cheered on by a group of all new cheerleaders. The rally consists of Lyn Bonser the only frosh, and sophomores Debbie Bailey, Cindy Clark, and Debbie Hadlock. These girls have been practicing this past summer and will continue practicing about two nights a week.

Most of these girls have been on a rally squad in grade school. The school will be looking forward to watching these energetic girls in action.

Our varsity rally consists of four eager girls. This is the third year as a varsity cheerleader for

senior Nancy Mattinen. Another senior, Becky Wassen, has served one year on J.V. and last year on the varsity rally. Penny Strohm, junior, and sophomore Nancy Foshaug were both on J.V. rally last year.

The girls attended NCAA clinic this summer at the Lewis and Clark College for five days. They won 1st, 2nd, and 3rd place ribbons in cheerleading clinic and two third place ribbons in pom-pom clinic.

All these girls, as well as our team, need your support. So get out of your chair and give an old cheer for Rainier!
