Consultations

Policies & Procedures

We will review your Policies & Procedures for cultural competency (esp. regarding the Native population/community) and make recommendations regarding these.

Peer Review

We will review client charts as a preparation for JCAHO, State, and other reviews.

Case Consultations

We will review client records and recommend interventions and referral resources.

Referrals

We will help coordinate and build partnerships in your community to facilitate co-referrals and coordination of complimentary services (Traditional healers & helpers, ceremonials, etc.).

Others

Consultations to meet your organizations particular needs that are aligned with your organizations' growth, purpose, mission and continuous improvement of its culturally competent services.

Email or call us with your needs.
