

The organizers would be grateful if intending participants would return this form by regular mail/electronic mail.

I intend to present a paper with the tentative title: _____

I would prefer (a) Oral presentation
(b) Poster presentation

Authors: _____

The abstract must be sent by 15-Oct-2005

Title: _____ First Name: _____

Surname: _____ Position: _____

Organization: _____

Address: _____

Code/City: _____ Phone: _____

Fax: _____ Email: _____

Accommodation: Own arrangement

Not required Required

Registration: Rs. _____ Payment by: Cash D.D

Draft No. & date: _____

Bank Details & Address: _____

Signature: _____

acceptance of their proposed contribution by email only. A full length manuscript is expected to be received from the authors of accepted abstracts to be published in the conference proceedings. The full manuscripts will be peer reviewed and, if accepted and selected, will be published as a special issue of **Indian Journal of Pure and Applied Physics**. Instructions for preparation of the manuscript will be sent later on. Efforts are also being made to publish a separate volume of the invited and plenary talks in a book form.

Important Deadlines:

Pre-registration form : **15th October 2005**

Abstract submission : **15th October 2005**

Notification of acceptance : **31st October 2005**

Paper manuscripts : **19th January 2006**

Travel and Accommodation

Limited TA in the form of sleeper class by shortest route may be given to a few deserving students/young scientists. Request for this must reach the convener on or before 15-Dec 2005. Accommodation will be provided in Guest House/Hostels on request. Hotel accommodation can be arranged on payment of one day advance charges. Rooms in hotels are available ranging from Rs. 300-800 per day.

Registration

Early registration before 30th November 2005 is advised. The following fees apply :

	Early Bird Registration	Onsite Registration
Delegates from Universities/Institutes	Rs. 600	Rs. 800
Students	Rs. 450	Rs. 600
Delegates from Industries	Rs.1500	Rs.2000

Objectives

In past decades, technological developments in materials and computer sciences have evolved to the point where their synergistic combination have culminated in a new field of multidisciplinary research in condensed matter and materials physics. The goals of CMMP06 consist in the provision of a comprehensive national forum for presentation and discussion on the current state-of-art in the field of condensed matter and materials physics.

Conference Format

Invited national experts will organize sessions on several topics and application areas of condensed matter and materials physics. The conference will include

- ❖ Keynote Lectures
- ❖ Plenary Lectures
- ❖ Invited Lectures
- ❖ Contributed Papers
- ❖ Poster Presentations

The conference will enable understanding of novel scientific ideas in the following topics:

- ❖ **Mesoscopic Physics and Nanomaterials**
- ❖ **Statistical Mechanics**
- ❖ **Biological Physics and Soft Matter**
- ❖ **Correlated Electron Systems**
- ❖ **Materials at High Pressure**
- ❖ **Geophysically Important Materials**

Call for Papers and Deadlines

Authors (scientists, academicians and research students from national institutes and universities) wishing to contribute to the conference are invited to submit a one-page abstract (not exceeding 200 words) to the convener, CMMP06 preferably through email. Authors will receive notification of
