

COLLINWOOD WEST

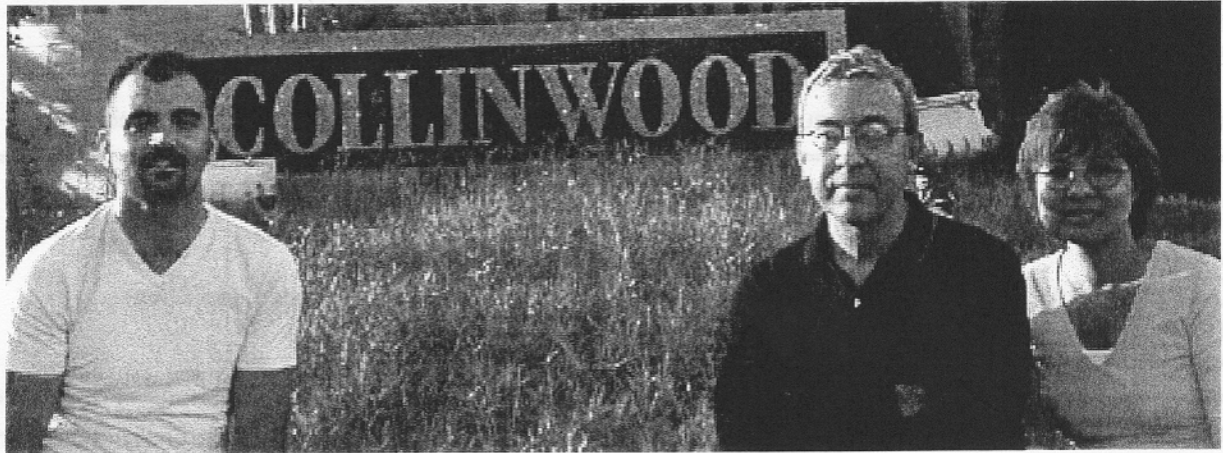

NEIGHBORHOOD NEWSLETTER

SPRING 2002

APRIL · MAY · JUNE

NEW HOA OFFICERS!

From left to right: Patrick Ferrante, Hugo Chapa-Guzman, Teresita Chapa

President: Patrick Ferrante

I moved to Austin in 1993 to accept a teaching position with AISD from Poughkeepsie, NY. Working as a third grade teacher for the past nine years has been very rewarding for me.

Having a love for this area and finding that Mainstreet Homes was building here, I decided to jump on the opportunity after living in an apartment for seven years. I enjoy biking, rollerblading, and other outdoor activities. Another favorite hobby is collecting Derek Jeter and Joe Montana paraphernalia.

My girlfriend and I are expecting our first child in July and we're very excited! We recently found out that it will be a girl.

I look forward to working with you and am very excited about this opportunity to represent this beautiful neighborhood.

Vice President: Hugo Chapa-Guzman

I first came to Austin, Texas in 1972 where I obtained my B.S. in Radio, Television and Film in 1976 from the University of Texas at Austin.

My wife and I came to Collinwood West because we were looking forward to living in close proximity to a natural feature such as a lake or a greenbelt, and we felt in love with the area at first sight due to its greenbelt.

My favorite pastimes are painting, literature, cinema.

I volunteered to be a block captain and Vice-President because I feel that we all have something to contribute. I am a librarian (M.L.S., I.R.M. from Syracuse University in 1983) and like to organize information. I am working on a web page for the Collinwood West HOA members, which will have a discussion board. I think it might be a good idea for us to bounce ideas off one another. Married to Teresa Chapa.

Treasurer: Teresita Chapa

I've lived in Hawaii and New Jersey. I moved to Austin in 1989.

We were happy to find Collinwood West because it is convenient and it's still located in Austin. This is a new subdivision with lots of trees and a greenbelt in the background.

I enjoy going to the movies and going to museum exhibits and taking long drives.

My 15 years of banking experience, some of it as an assistant internal auditor, and in accounting, as a financial specialist will steer me to be the Treasurer for the Collinwood West PUD HOA.
