SEPTTEMBER 2007

PRESIDENT'S CORNER

If you haven't met us already, your chapter has two co-presidents sharing the job. Leta Krieger lives in Hampton Roads, Virginia along with her husband David, seven-year-old daughter Katie, and 2 /12 year old son David (LP). Cathy Hughes lives in Cary, NC along with her husband Jim, sixteen-year-old daughter Stephanie and fourteen year old son Michael (LP). We are both so excited to be a part of the revitalization of the chapter. We had a wonderful kickoff meeting in Roanoke Rapids. Fifty-five of the chapter's members met at Logan's Road House for lunch and spent the rest of the day at a local park, playing basketball, horseshoes and swim-

ming. For some, it was the first time to meet another little person, for others, it was a time to meet up with chapter members that they have not seen in years. For us, it was wonderful seeing the group get together and having such a great time.

As a chapter, we intend to keep the focus on having fun events, moving the locations around so that we can reach our members in both North Carolina and Virginia. For those that are not familiar with the chapter, we are roughly within a 100-mile radius from Emporia, VA. On a map, the chapter consists of approximately Greensboro and east in North Carolina and the Southern portion of Virginia.

We would like to thank all who have volunteered to help reactivate our chapter, especially Lisa McDowell, our first treasurer and now our parent coordinator, Doug McCrory for offering to take over as treasurer, Lindsay Fowler and Cindy Horton, our newsletter editors.

If you would like to get involved with our chapter, please e-mail one of us – we would love to help you get started. If you'd REALLY like to get involved in the chapter, please see our help wanted section in this newsletter.
