

24 May 2006

Hi all,

Just a reminder that there will be a CBTF meeting at the Topsfield North Shore Kennel Club show on Saturday, June 17th.

As we typically do, we'll look to meet around noon at the agility field. Look for the green and white Terv windsock hanging from the tent and that is where we will gather!

The meeting will include a potluck lunch so bring a little something for everyone to share in!

Congratulations to all members who have been tearing up the competition in agility, obedience, rally, breed, herding! You name it our tervs have been out there shining and you should all be very proud! I think the next newsletter will be full of some very nice brags for CBTF members!

See you all soon! Hannah's expecting puppies any day now so I'll have my hands full!

Colleen  
Temba & Hannah & ???
