American Belgian Tervuren Club

Tracking Workshop with Angie Genovese **assisted by Nadia Innes**

Saturday, October 20, 2007

Hardwick (Gilbertville) MA

The training building will be open at 9:00 a.m. There is plenty of room for crating dogs indoors. We will begin at 9:30 a.m.

The Workshop will include classroom sessions and outside work in the fields on varied terrain. Be prepared for any kind of weather. Dress in layers.

WHAT TO BRING:

- **Rain gear, changes of footwear, extra socks, hats, gloves.**
- **Paper, pencils, clipboard, and a chair.**
- **Tracking harness and long line for your dog**
- **Tracking articles; leather and cloth, also metal and plastic.**
- **REALLY great soft treats that your dog loves.**
- **Water for you and your dog.**
- **QUESTIONS that you want answered. Issues you want help with.**

We'll be providing some tracking flags, copies of the AKC tracking regulations, and a resource list for you to take home.
